I think the Pontresina meeting was the first to have posters.

Here is the call. The posters were "posted" in the Taverne for the duration of the meeting.

As an alternative to an informal talk we will offer you to give a poster presentation. If you want to bring a poster with you it should fit on a board of width 4 feets and height 5 feets. Please inform us by email to [schlegel@scsc.ethz.ch](mailto:schlegel@scsc.ethz.ch) if you want to present such a poster.
